We are a full-service graphic design firm ...

BoldMarkup Ventures is a full-service graphic design firm providing creative services in art direction, conceptualization, design and web development. We produce an extensive suite of marketing and informational materials, including annual reports, brochures, power point presentations, logos, forms, tour books, advertisements, websites, flyers, newsletters, fact sheets, postcards and signage. Working collaboratively with clients, translators, copywriters, photographers, stock photo agencies, and print vendors.

The BoldMarkup team has the ability to ...

- Design creative and professional marketing material;
- Design and develop project work plans, project budgets and adhere to a production schedule;
- Work with professional photographers and stock photo agencies, and use photographic images that “tell the story”;
- Identify and assess solutions, and ways of presenting technical information.
- Work collaboratively with client staff to design and produce creative marketing material; and
- Work with translators, copywriters and print vendors, from inception through to completion of projects.
